A-T National Clinic Financial Support Policy

BrAshA-T can provide assistance for families to attend the National A-T Clinic where necessary however please consider that the main objective of BrAshA-T is to direct as much of our fundraising proceeds directly into finding a cure and better therapies (i.e. research) so it would be appreciated if families could attempt to firstly cover their travel and accommodation expenses via other means (e.g. another charity and/or a government agency).

1. Families can request BrAshA-T funding for travel and accommodation expenses only
2. Travel is defined as economy airfares to and from Brisbane
3. Accommodation assistance is for the nights of the clinic and the night immediately preceding the first day of the clinic
4. Meals, taxi fares, parking and any other expenses are not included
5. Financial assistance is limited to A-T children and one parent/guardian per family
6. Approval for financial assistance is at the discretion of the Board of BrAshA-T
